**Achtung:** Verdrehen der Potentiometer nur mit Schlitzschraubendreher, **kein** Kreuzschraubendreher.

**Caution:** Only use flat-tip screwdrivers to adjust the potentiometers, **not** Phillips screwdrivers.

**Attention:** N'ajuster le potentiomètre qu'avec un tournevis plat, **pas** avec un tournevis cruciforme.

**Attenzione:** Per il potenziometro utilizzare solo cacciaviti a taglio, **non** utilizzare cacciaviti a stella.

**Atención:** Dar vueltas al potenciómetro sólo con un destornillador plano, **no** con un destornillador de estrella.

**B** = 1.5 - 1.7 mm

**D** = 0.2 - 0.4 mm
